GENERAL INFORMATION ON CONTRIBUTIONS:

- After three consecutive years of "sustaining" at a given level, the fourth year contribution qualifies the firm to move up to the next level and receive those benefits. However, if the firm does not continue to "sustain" at their entry level of giving, then the process starts all over again. Also, a company cannot jump more than one level from their entry level of giving.
- The above sponsorships are open to both member companies and the general public as well. In this proposal, the words "company, corporate or firm" refers to member companies and the general public (i.e. individuals & outside companies).
- The Ultimate Platinum Level status will be achieved once a cumulative giving amount of \$10,000.00 is reached.
- Each supporter will receive a special name badge at each conference denoting "Foundation Supporter" and in a color to match their level of giving (i.e. bronze, silver, gold & platinum).
